

V-Rent Horsens

User's guide

1. After opening the program, the home page is displayed. From here you can choose between different tabs for different functionalities.

2. To make a reservation click “Renting info” tab at the top and type in customer’s information.

The screenshot shows a web application window titled "V-Rent". At the top, there are four tabs: "Home", "Renting info" (which is selected and highlighted in blue), "Reservation", and "Serch reservation". Below the tabs, the form is divided into two columns. The left column is titled "Personal information:" and contains four input fields: "*First Name:" with the value "John", "*Last Name:" with the value "Smith", "*Phone no.:" with the value "76534876", and "*Adress:" with the value "Daamgaard". The right column is titled "Renting information:" and contains three input fields: "*Pick-up location:" with the value "Horsens", "*Delivery locatio..." with the value "Aarhus", and "Driving license:" with the value "0987676545". Below the "Personal information" fields, there is a blue button labeled "Next".

After that press “Next” which will bring you to the tab “Reservation”.

3. If all the required information in the “Renting info” is filled, the “Reservation” tab will open where the rest information about the reservation will be set.

The screenshot shows the V-Rent application window with the 'Reservation' tab selected. The interface includes a navigation bar with 'Home', 'Renting info', 'Reservation', and 'Serch reservation' tabs. The main content area contains the following elements:

- *Pick up date:** Three input fields containing '12', '03', and '2002'.
- *Returning date:** Three input fields containing '17', '04', and '2002'.
- Vehicle type:** A list of radio buttons with the following options:
 - ☐ Car
 - ☐ Camper
 - ☐ Truck
 - ☒ Van
- Vehicle list:** A scrollable list of vehicle models and their kilometers:
 - Mercede Sprinter 0km 4
 - Mercedes Spinte 0km 5
 - Merdes Sprint 0km 17
 - Mercees Ster 0km 16
 - Mdes Nter 0km 15
 - Mercedees Arinter 0km 22
- Buttons:** Two buttons at the bottom right: 'Update the upper list' and 'Save reservation'.

Fill up “Pick up date” and “Returning date”. After that select one “Vehicle type” and press “Update the upper list” button. Then select a vehicle and press “Save reservation” and the reservation will be saved.

4. To search for a reservation press “Search reservation” tab.

The screenshot shows a web application window titled "V-Rent". It has four tabs: "Home", "Renting info", "Reservation", and "Serch reservation" (note the typo). The "Serch reservation" tab is currently selected. The main content area is divided into two sections. On the left, under the heading "Reservation list:", there is a large, empty rectangular box intended for displaying a list of reservations. On the right, there is a search form with four input fields labeled "First name:", "Last name:", "Address:", and "Phone number:". Below these fields are three buttons: "Serch" (note the typo), "Hand out", and "Update reservation list".

In the “Search reservation” window press “Update reservation list” and a list with all the reservations will show up.
